# THE STATE OF NEW HAMPSHIRE

## TOWN WARRANT

The polls will open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Richmond, in the County of Cheshire in said state,  
Qualified to vote in Town Affairs;

You are hear by notified to meet at the Veterans Memorial Hall in said Richmond on  
Tuesday the 11th of March, next at 11:00 A.M. of the clock in the morning to act upon the  
following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To vote by ballot to accept the 1997 revisions to the Richmond Zoning Ordinance as  
proposed by the Richmond Planning Board in accordance with the statutes of the State of New  
Hampshire.

## **RICHMOND PLANNING BOARD PROPOSED ZONING AMENDMENTS**

- 1.) Amend ARTICLE 3 GENERAL PROVISIONS to read as follows:

**304** All sewage disposal systems shall be constructed and maintained in accordance with standards set and enforced by the N.H. State Department of Health and the N.H. Water Supply and Pollution Control Division. Such approval shall be required where applicable before issuance of a building permit.

**309** No structure shall exceed two and one-half (2 ½) stories in height or thirty-five (35) feet. The height of a building shall be measured from the highest point of the roof line to the average elevation of the finished grade of the ground halfway between the front and back of the building and within twenty (20) feet of the foundation. The height limitation shall not apply to chimneys or antennas attached to residential dwellings.

**312** All dwelling units and additions are to be built on a permanent foundation.

**313** Commercial wireless communication facilities are not permitted in district B (lakeside). They are not permitted in district A (Residential) unless by Special Exception subject to conditions of article 1001.0 of this ordinance and in District C (Wetlands) unless by Special Exception subject to conditions of Article 604 of this ordinance.

**314** Any sign or groups of signs, erected in any district, must not exceed twenty five square feet in area and are limited to the following functions: (a) Town, State or Federal highway directions and regulatory signs (b) signs designating areas of historical interest (c) signs relating to sale or lease of premises (d) relating to profession or home occupation of occupant (e) signs indicating the sale of goods or products sold on the premises (f) property restriction signs (g) identification and directional signs for residences, businesses and public holdings (h) street, road and highway identification signs (i) political signs during campaigns on private property, only with permission of the property owner, to be removed no later than two weeks after the pertinent voting day.

- 2.) Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows:

**401.1** It shall be primarily a single family residential district with agricultural and farming uses also permitted.

**403** Delete - move to article 806.

**404.2** Delete - move to article 903.1f

**405.5** Delete - move to article 903.1f

3.) Amend ARTICLE 5 LAKESIDE DISTRICT to read as follows

**502.3** Delete - move to article 806.

**505** Where already existing a natural woodlands buffer shall be maintained within one hundred and fifty (150) feet of the reference line subject to standards required to **RSA-483B**.

4.) Amend ARTICLE 8 NONCONFORMING USES to read as follows:

**803** The Board of Selectmen shall have the authority to approve the construction of, or alteration or addition to, nonconforming accessory buildings such accessory buildings are associated with a nonconforming main building and the alteration or addition does not result in a structure that exceeds the existing nonconformance.

**806** Lots of record, prior to March 13, 1990, that do not meet frontage or acreage requirements of this ordinance or do not contain a square equal to 250 foot per side may be used for construction of a single family dwelling n Area A or Area B. When appropriate as determined by the Zoning Board of Adjustment such lots may be used for construction associated with Special Exceptions. All other requirements of this ordinance must be met.

5.) Amend ARTICLE 9 ENFORCEMENT and ADMINISTRATION to read as follows:

**903.1** Application for a building permit:

All applications for building permits shall accompanied by plans to scale and submitted by the owner or his agent, and shall show:

a) The actual shape and dimensions of the lot to be built on;

b) The size and location on the lot of the building (s) or structure (s) to be erected or altered;

c) The location of all setback lines-front, side and rear;

d) The location of all septic systems facilities and well (s);

e) The location of wetlands and surface water, and

f) Multifamily dwellings, conversion to multifamily dwellings, cluster developments of more than two dwelling units and structures associated with special exceptions require site plan review and approval by the Richmond Planning Board before issue of a building permit

6.) Amend ARTICLE 10 BOARD of ADJUSTMENT to read as follows:

**1001.1** Special Exceptions-The Richmond Board of Adjustment may, appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to terms of this Ordinance to permit manufacturing or commercial use in the residential district. All exceptions shall be made in harmony with the general purpose and intent of this ordinance and shall be in accordance with the general or specific rules contained in the ordinance. All lot size, frontage, setbacks and other requirements as stated in the ordinance for residential dwellings shall apply as a minimum to special exceptions. The board, in acting on an application, shall take into consideration the following criteria;

a) The proposed site is in an appropriate location for use. Among the factors the Board of Adjustment will consider are: topography, soils, water resources, road access and locations of driveways, conditions of existing structures, and other

relevant characteristics such as whether the proposed use is compatible with the surrounding land uses.

b) The proposed use will not adversely affect the value of adjacent property. An adverse effect on adjacent property is one which would limit the use of neighborhood property by causing such problems as excessive noise, traffic, dust, fumes, glare or other conditions that are associated with the intended use but are not typical or permitted uses within the area.

c) No hazardous waste shall be disposed of on the property, and provision for the disposition of all waste shall be made without jeopardy, financial or otherwise, to the Town of Richmond.

d) Traffic generated by the proposed use must not present a hazard to the neighborhood for either vehicles or pedestrians.

e) In all cases where a proposed project requiring Site Plan Review is located next to an existing residential use, buffering shall be provided within the setback areas, of a type and amount deemed appropriate by the Richmond Planning Board during Site Plan Review.

f) The Board of Adjustment will request a recommendation from the Richmond Planning Board and the Richmond Conservation Commission concerning the proposed use.

g) Wireless communication facilities shall meet all the conditions of this article (1001.1) and in addition shall meet the following requirements if the antenna height exceeds 35 feet:

- 1) Maximum combined tower and antenna height equals 50 feet above grade unless the applicant can prove that a greater height is required to perform its function. In such a condition the applicant will be encouraged to select a more appropriate location.
- 2) Tower setback must be greater than its height plus 10 feet from the right of way of a road or an approved subdivision road and two times the height from abutting property lines.
- 3) The applicant must agree to provide access to the use of the tower/antenna at a reasonable cost to all other applicants, where possible. Such additional uses shall not alter the existing structure with regard to height and setbacks.
- 4) The applicant must agree to permit, at reasonable costs, the construction of additional antennas on the same lot where possible. Additional tower/antenna must be approved by the Zoning Board of Adjustments as a special exception and meet the requirements of this section.
- 5) The location of any tower must be outside a one mile radius from the intersection of state Route 32 and state Route 119.
- 6) The initial owner of the tower/antenna must post irrevocable security to assure proper, safe demolition of the structure when use is discontinued for more than 12 months or it is determined by the Board of Selectmen that it is unsafe. The amount of such security and the nature of the financial instrument will be determined by the Planning Board during Site Plan Review.

9.) Amend ARTICLE 15 DEFINITIONS to read as follows:

**1502 Dwelling Unit** - A single housekeeping unit designed and used exclusively for residential purposes which includes living, sleeping, and complete kitchen and bathroom facilities and is set on a permanent foundation.

**1511 Manufactured Housing** - Manufactured housing means any structure, transportable in one or more sections, which in the traveling mode is 8 body feet or more in width and 40 body feet in length, or when erected on site, is 320 square feet or more, and which is built to be used as a dwelling when connected to required utilities, which including plumbing, heating, and electrical heating systems contained therein. Manufactured housing shall not include pre-site built housing as defined in RSA 674:31-a

**1521 Foundations** - Foundations are to be constructed of stone and mortar, masonry or concrete that extends below frost line (normally 4 feet), unless ledge restricts it. Slabs with a 4 foot frost wall are permitted.

**1534 Site Plan Review** - Review for approval by the Richmond Planning Board of all structural and Landscaping plans.

## AUDITOR'S REPORT

Richmond, NH 03470  
February 17, 1997

The Board of Selectmen  
Town of Richmond  
Richmond, NH 03470

I here with submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1996. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent town records.

### SCOPE OF AUDIT

The account and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

### FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures show a net unexpended balance of appropriations amounting to \$30,620. In 1995, there were \$ 25,136 in unexpended balances.
2. The Statement of Estimated and Actual Revenue shows a net revenue excess of \$ 136,920. In 1995, the net revenue deficit amounted to \$ 115,945.
3. The Budget Summary indicates a net budget excess of \$ 94,070.
4. The accounts of the Town Treasurer, Town Clerk and Tax Collector have been summarized and tabulated.

### AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All town books and accounts were examined carefully and, where necessary, test of certain records were made as part of the audit.

### CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1996. In my opinion, the attached statements represent the financial position of the Town of Richmond for this period.

### APPRECIATION

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted,

Loreal R. Condon  
Town Auditor  
Richmond, New Hampshire

## SELECTMEN'S ANNUAL REPORT

1996 was a year of high and low periods of activity in Richmond. The year started with near record snow fall, was followed by a cool wet Spring and early Summer, a very dry late Summer and a return to rain for Fall and early Winter. There was little snow to be found at year-end.

There were 29 Building Permits issued including 8 new residences. The roof on the kitchen on the Vets Hall was replaced. Utility property and equipment in town was re-evaluated resulting in an increase of approximately \$2 million to our tax base.

The resignation of our Police Chief gave cause to review the police service needs of our community. Following the recommendation of NH Police Standards & Training we have been working since June with Municipal Resources, Inc to determine our coverage needs and find the best options to meet these needs. Without an administrative head for the Police Department, it was determined that the short term needs of the town would be best addressed by accepting the resignations of our part-time officers and requesting coverage from the State Police. Troop 'C' in Keene has been responding to our calls for Police assistance since June.

The Winchester Dump was officially closed and the Transfer Station opened in October. All reports are that the new facility is running smoothly.

The Selectboard is still negotiating with Tree Growers, Inc. to obtain a permanent conservation easement to the Soap Stone Quarry on Parker Hill.

To better serve the people of town, we have expanded the hours that our secretary will be available and increased the responsibilities of that position. These changes will also give the board needed time to update all of the documentation required by state law and needed to administer the town.

Contact has been re-established with the individual who digitized our Tax Maps. We are working to obtain copies of disks containing Richmond mapping data and establish a working relationship to ensure that our maps are and remain current.

We wish to thank all who have given so freely of their time, energy and expertise working on all of the committees, departments, special project and activities that took place in our town last year. Many new faces appear but more are needed. Please contact a Selectman or any committee member for information about becoming involved.

The beaver have returned.

Respectfully submitted,

Edward C. Campbell, Chairman

## TOWN CLERK'S REPORT

After increasing in large amounts (\$9500, \$6000, & \$9000) since 1993, the revenue collected this year in the Town Clerk's office has leveled off some. We took in only about \$4,000 more than last year. Most of this was due to vehicle registrations. Eighty-nine percent of the people chose to do the state portion of the registrations in town.

All the dog penalty money (\$323 last year) was lost because we had no police officers to serve the civil forfeitures to the late registrants.

We have welcomed Maureen Griffin as our new Deputy Town Clerk this year. Thank you Janet Boccalini for all your help while previously serving in that capacity. Debbie Vaughan continues on as our Assistant Deputy.

It was a great help this year being able to do dog licenses on the computer. For the most part the computer is working well for cars. However, new updates always seem to cause problems when first installed. Our apologies to anyone who has come in at those times.

Respectfully submitted,

*Pamela Goodell*

## Richmond Fire Department

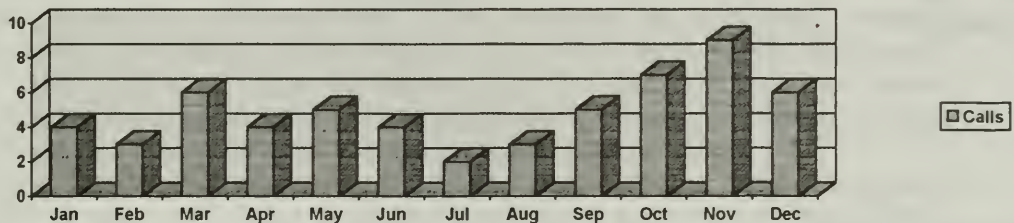

Your volunteer fire department wishes to congratulate everyone for making 1996 another fire safe year in Richmond. Our driving record is not so polished. This year we responded to 12 motor vehicle mishaps which is far more than usual. We certainly have experienced some very bad road conditions but we all know extra care must be taken when the roads are slippery. This year was also unique in the number of car fires. Searching the records, I had to go back 3 years to find another vehicle fire, but 1996 saw five cars fires. Fortunately, none of these cars belonged to Richmond residents.

This year we attacked improving our water sources. As much as I would like to report three new fire ponds, all I can show for our labor is the pipe. Oh yes, we have a large stack of paper work too! Because of all the care being taken to ensure our environment is not damaged, the effort required to create a fire pond is staggering, especially for those of us untrained in hydrography. We could not do the paperwork ourselves and have been forced to seek assistance in creating all the documentation required by the state to obtain permission to dig, or perhaps not to dig. Hopefully, we will know one way or the other by the end of mud season. Since we were unable to actually construct, we only partially expended our budget in this area and have returned the unspent amount to the general fund.

The record for 1996 shows your fire department responding to 57 calls, 11 to assist neighboring towns. The statistics are:

0 Brush Fires	5 Chimney Fires	8 Mutual Aid Calls
3 Mutual Aid Calls to man an empty station	12 Motor Vehicle accidents	
14 Miscellaneous calls (fire alarms activations, car fires etc.)		
12 Rescue calls	3 Structure fires	

The monthly distribution of calls is shown below. We appreciate the few calls in the summer. Must be everyone is too busy to have a fire or accident!

These 57 responses account for over 970 on-the-scene personnel hours. Truly, this represents only the tip of the iceberg. The training and maintenance time required to keep the equipment and personnel ready to respond far overshadows the actual operation time. Each fire fighter who earns his firefighter one certification has over 120 hours of training. Each EMT has over 120 hours of basic training. The training and practicing never stops.

My heartfelt thanks to each and every Fire and Rescue volunteer with special thanks to their families who support and encourage them in making Richmond a better, safer place to live.

Respectfully submitted,  
H.B. Shaw III, Chief  
Eino "Bud" Jacobson, Deputy

## REPORT OF THE FOREST FIRE WARDEN AND THE STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments.

# **RICHMOND CONSERVATION COMMISSION**

## **Annual Report 1996 Calendar Year**

At the 1996 Town Meeting a warrant article was passed authorizing the Selectmen to negotiate a permanent conservation easement for the historic Harris Soapstone Quarry on Parker Hill Road. During the course of the year the details of an agreement were worked out between the Commission, the Selectmen, and Mr. W. B. Parker, of Tree Growers, Inc. As soon as the parcel has been surveyed and the deed recorded, the easement should be complete.

With deepest regret the Commission accepted the resignation of Augustus Merwin. Gus served the Town long and well; his insightful perspective and wise counsel will be sorely missed.

Commissioner John Randall has assumed new duties and responsibilities as the Commission's Treasurer.

The Commission's newest member is Norma Reppucci. Norma is employed by the New Hampshire Department of Recreation and Economic Development, and is one of the managers of Pisgah State Park. She is also a working member of the elite New Hampshire Forest Fire Response Team, often being called to the scene of major western conflagrations. Norma's experience and training will be of great value to the Commission and we look forward to a long association.

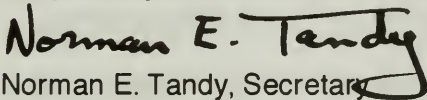

The Commission is pleased to report that detailed management plans for the Harry J. Bennett Town Forest and for the Town-owned Allen Lot have been completed. As part of the Commission's commitment to self-sufficiency, this extensive project was completed without the use of any tax money.

The Town Forest Management Plan, prepared by consulting forester Wayne Young, contains recommendations for the long-term health and benefit of the forest. In this plan, consideration is given to public use and recreation, timber production, and wildlife habitat maintenance. The Commission is working to develop a timetable to put the recommendations into effect.

Conservation easements are one of the best ways to secure long-term protection for your land. Such an easement becomes a permanent and binding part of the property's deed and can guarantee that a treasured parcel of land will be forever used according to your wishes. For additional information, please contact The Monadnock Conservancy, P. O. Box 1035, Dublin, NH 03444.

Once again the Commission will pay full tuition for one or more Richmond students to attend the Society for the Protection of New Hampshire Forests' Community Conservation Camp. Details for applications will be posted in the Richmond library as soon as available.

Respectfully submitted,

  
Norman E. Tandy, Secretary

## RICHMOND RECREATION COMMITTEE REPORT 1996

The Recreation Committee once again began 1996 with the annual Easter Egg Hunt. The day was cold and somewhat gray, but the children had a lot of fun finding the Easter Eggs hidden throughout the area around the pavilion. Children could make Easter baskets and color eggs during the event. Refreshments were served and Roseann Amato baked a big bunny cake for the event.

Graduation came and went without the potluck supper. This year we decided to send each graduate a card and a gift certificate to the Toadstool Bookstore. The gift certificate has been a traditional graduation gift for a few years now, but the absence of the potluck was new. By sending the gifts, each graduate received the towns congratulations, in the past only those graduates who attended the potluck received their gift. Some graduates even sent thank-you cards, which was appreciated.

Summer began with Red Cross swimming lessons at Camp Takoda. Swimming lessons are provided free of charge to all children of town residents. Children as young as four and as old as fifteen attended lessons. All levels of instruction were offered from beginners through advanced. Lessons were given three days a week for three days. Children who attend all of the swimming sessions get the most out of the lessons and many return every year to further advance their swimming skills. I have had the personal experience of seeing many children learn to swim better each year due to these wonderful swimming lessons.

Summer Day Camp was offered during the last full week of July for a full 5 day week. Camp was held at the Town Pavilion and was coordinated by a Director who was supported by volunteers, counselors and specialists. This was the third year that camp was offered free of charge to all town residents. The camp was also offered to children who ranged in age from two to twelve. Parents were encouraged to bring their younger children if they were able to chaperon them during camp activities. A few parents came daily this year to help with their younger children. We also had the assistance of some teenage volunteers who came regularly and helped quite a lot. Camp activities included daily arts and crafts projects, games and water play. Special presentations included a project from Judith Graves of Lambs and Thyme, computer classes from Debbie Vaughn and a special library time with Dianne Jacobson. We used an "Olympics/Multi-cultural" theme which was incorporated into all of our activities during the week. Children were broken into groups and represented countries. Children performed in a talent show for parents on Family night and awards for the Olympic participants were given out at that time. Family night was a potluck supper attended by parents and day camp participants.

Summer ended with Richmond Days on Labor Day weekend. The Recreation Committee marched in the town parade. Town residents were encouraged to participate by preparing a float and a group of young adults dressed up as clowns and gave out candy and small flags to children along the parade's path. During the annual chicken barbecue, the Recreation Committee offered games and prizes for children. The emphasis this year was on fun for the children. Every child who played a game won a prize and many came back to play again and again. Games included a penny toss into goblets, fishing, a lollipop lottery and balloon dart game. All of the money raised was donated to the Richmond Library.

The annual Halloween party was held at the pavilion on Sunday, October 27th and was well attended. A large bonfire was set with the help of some of our volunteer firemen. Adults and children participated in the costume contest. Winners received small gifts. Children ate donuts, bobbed for apples, played with pinatas, and went

through a Haunted House that was organized by the Richmond Girl Scouts. Refreshments were served throughout the night and when the evening was all over a few volunteers stayed to help clean-up though most everything had already been eaten up!

We started a new tradition, hopefully, this year by having a Family Sing-a-Long and visit from Santa on December 15th, following the annual Christmas Caroling that the Richmond Girl Scouts and Brownies do around town. The event was well attended and was a lot of fun. Books were given as gifts and the books that were left over were donated to the Richmond Library. Refreshments were served and once again cleanup was done by a number of wonderful volunteers.

Thank you to everyone who volunteered and helped to make 1996 an exciting and enjoyable year for the Recreation Committee. Though, I am still looking for members, the help of volunteers both young and old, have enabled the Recreation Committee to continue its annual events and even expand somewhat. I hope to continue to work with the Richmond Girl Scouts and Brownies. Next year I hope to send flyers home through the schools (Emerson, Mt. Caesar and Cutler) so that Recreation Committee events are even better publicized.

Respectfully Submitted,

Diane Bush, member/chair Recreation Committee

**1996 RESCUE SQUAD REPORT**

In 1996, the Rescue Squad has continued to serve the town of Richmond. During times of emergencies, illness, or fire calls we respond whenever toned.

The Rescue Squad is made up of trained personnel. We deal with the whole situation, the injured persons and the injuries. We know what NOT to do as well as what to do.

We avoid errors that are often made by an untrained person through well meant but misguided efforts.

The Rescue Squad knows the limits of our capabilities, and makes every effort to avoid further injury to patient in our attempt to provide the best possible emergency care.

When calling 911 to report an emergency, describe the problem, tell what is being done. Give your name, the location, the number of persons involved and the telephone number where you are. Do NOT hang up, additional clarifications may be needed.

The Rescue Squad continues to train both at Cheshire Hospital and with neighboring towns. We hold monthly meetings and training is conducted. From each call, we learn, and continue to add to our training.

This past year among the many programs that we took part in was the Pediatric Trauma Care held by the staff of Dartmouth Hospital.

Again we thank everyone for the wonderful support given the Rescue Squad. We are here to serve and without your support we could not serve.

Respectfully submitted.

## 1996 ARCHIVE REPORT

This twentieth year of the Richmond Archives seemed to fly by on wings. This fall we welcomed our newest member of the preservation team, Ruth Flanders, and her wonderful computer. Both Ruth Flanders and Sandy Laughner attended classes in Concord training in archival work and techniques. The courses were sponsored by the archives fund and contributing funds from the Richmond Historical Society. Ruth is now hard at work with interleaf materials, sorting, and listing our collection of hand written documents on the computer. This is an arduous, time consuming task and we are grateful for her interest and help. There is still more work to be done on relaxing documents as well. When completed, a hard copy list will be available to researchers, to facilitate retrieval of the originals, without excess handling. (Old documents are often brittle and handling does more damage.)

We have also purchased more acid free, buffered interleaf paper, file folders, and supplies for our work. Interesting to note that prices have more than tripled in twenty years. We have resurrected our used microfilm machine purchased a number of years ago and it still works. We have received a gift of microfilm of the Quaker Meeting records from 1792-1835 given by Dr. Richard Martin. (They are just beautiful!) These records will help us to see where some of the Quaker forefathers went to live, as letters were always sent to the next quarterly meeting to introduce the coming members. In the coming year, we hope to have these records on hard copy readily available to researchers interested in Quaker proceedings in Richmond. Dr. Martin worked for a long time to obtain this microfilm copy and we are grateful and thank him for this wonderful gift.

In 1997, our work on preservation of historic materials will continue with the team of Flanders, Laughner, and Thibodeau. Anyone interested in training in preservation work please contact us. We thank you for your support. The archives is open by appointment only, on Tuesdays through Fridays from 9 A.M. - noon. Call 239-4598. If you are searching for a specific piece of information, please let us know when you call so that we can have it available when you come for the appointment. Gifts of historic documents (or copies) are always welcome.

Respectfully submitted,

Norma Thibodeau, archivist

## ROAD AGENT REPORT

Grading roads began May 1 this year. Fish Hatchery Road from Mill Road to Route 119 - ditches were cleaned with a grader and loader, shimed with asphalt and sealed.

Work on the Whipple Hill Road bridge was completed this year, and will now carry any legal load, no posting required.

New turn arounds were built for the plow and sand trucks at the end of Quaker Lane and on Morgan Road. Approximately 1000 cubic yards of crush gravel was put on Tully, Morgan and Whipple Hill Roads.

Many new culverts were installed in 1996, Benson Road 1, Martin Road 1, Lang Road 3, Pond Woods Road 1, Greenwoods Road 1, Whipple Hill Road 3.

Brush was cut and culverts cleaned. To the Fire Dept., thanks for your help in cleaning the culverts.

Dan Firmin was low bidder for winter maintenance for 1996 and 1997 winter season.

Beaver problems were mostly confined on the Greenwoods Road this year.

Leonard Davis  
Road Agent

## BEACH COMMITTEE REPORT

Another wonderful summer of relaxation went all too quickly at the Richmond Town Beach. Many loads of sand were put on the beach due to the rough winter as well as several loads "from across the lake," due to the rebuilding their beach. (We are lucky to have such nice neighbors at the beach.)

The decision to remove the rubbish bin was due to bees and other wildlife coming out of the woods to pay a visit to our town beach. A big thank you to all for "carrying home trash". It made a big difference to us all.

If a problem arises please contact myself or a beach committee member. We can't help if we don't know about a problem.

Respectfully submitted,

Patty Webber

## LIBRARIAN'S REPORT

Our town library continues to flourish. Over the past year we added 19 people to our list of cardholders (12 adults and 7 children/juniors), while increasing the library collection by 439 books, 25 videos, and 15 books-on-tape and withdrawing 165 badly worn and out-of-date books. Expansion has taken place in all areas: children's, junior, and adult fiction and non-fiction and general reference books. We purchased a set of A History of US, a children's encyclopedia of history, and were given a second set of the Encyclopedia Britannica, thereby allowing borrowers to check out individual volumes. We also received gift subscriptions to Discover magazine and Global Stamp News. Our annual circulation reached nearly 6,000 items--an average of more than 100 items a week.

We welcome Melissa Herman to the Board of Trustees and feel that her energy and enthusiasm will be invaluable to the library. In 1996 she attended seminars offered through the NH Library Trustees Association, bringing back various ideas and information which we hope to use in 1997.

As YOUR small-town library, we are pleased to offer our services to the people of Richmond. As always, we are grateful for the town appropriations and private donations, as well as the support of pro-book people. The Friends of the Library contributed to our activities by sponsoring the summer reading program, benefiting 56 children, the silent auction on Richmond Day; and a bake sale. Other volunteers donated their time and labor in the form of cleaning and shelf organization. To everyone who participated: thank you. We also appreciate the continued support of the Toadstool Bookshop.

Remember, we are open Tuesdays from 2-8PM and Saturdays from 9AM-1PM. Our phone number is 239-6164. Drop by to see what's new, share book talk, or get a reading suggestion from Dianne. We are always happy to see newcomers as well as old-timers and look forward to serving you in 1997.

## **RICHMOND EMERGENCY MANAGEMENT**

This past year was a very quiet year for Richmond Emergency Management. There were no Radiological Emergency Response Training Tests related to Vermont Yankee. The Emergency Operations Center located at the Civil Defense Building was activated only once for a winter storm this past Fall. The combination of heavy snow and ice left the major portion of the Town without electricity for approximately 24 hrs. Although this was an inconvenience for everyone, it could have been a lot worse for us and was a lot worse for many of the surrounding towns. We certainly owe our thanks to Public Service for returning us "on line" so quickly. I would like to thank the members of both Fire and Rescue for their professional / volunteer help in manning the E.O.C. and assisting those people in Town that needed assistance.

The C.D. building is being utilized more by various committees and boards in Town. Groups that currently use the building are; Conservation Commission, Planning Board, Rescue, Historical Society, Voter Registration / Checklist, and the ZBA. All organizations wishing to use the meeting room should schedule well in advance with the Selectman's Office.

The furnace had to be replaced early this past Winter. We thank Gary Zitta for his help in expediting that project. Furnace reimbursement was obtained through funds from State Emergency Management. There are some essential projects relating to the building that need to be completed this year. Foremost is the completion of the bathroom. It had been anticipated that this would have been completed this past year, but scheduling became a problem.

It is expected that 1997 will be a major year of training and testing for Emergency Management both on the State and National level.

Respectively Submitted,

Robert S. Coy, Director  
Town of Richmond Emergency Management

## **REPORT FROM THE WINCHESTER SOLID WASTE MANAGEMENT DISTRICT**

1996 was a very busy year. The landfill finally closed and was converted to a transfer station. Because of recycling, we believe that the operating costs of hauling the garbage to Massachusetts will be no greater than the costs of operating the old dump. Hopefully, most residents are pleased with the new transfer station. Tin, aluminum, plastic, glass etc. no longer have to be individually separated and going to the "dump" is much easier than it used to be. In 1997, a soil and synthetic cap will be placed over the old landfill. Bids for construction have been solicited and 12 were received. The low bid was \$735,975 and the high bid was \$1,659,885. In addition, we anticipate approximately \$103,000 in engineering costs. Richmond's share of the construction costs will be 18% and the Town of Winchester will pay the rest. Funds for construction will have to be raised at the 1997 Town Meeting.

Respectfully Submitted,

David Kochman  
Richmond Representative  
Winchester Solid Waste Management District

## **REPORT OF ZONING BOARD OF ADJUSTMENT**

Another quiet year for the ZBA. We were only called upon to hold 3 Public Meetings and 3 Public Hearings. The result of these sessions were the issuance of 3 Special Exceptions, the recision of a Variance and the declination of 2 Appeals. We worked closely with the Planning Board in developing proposed changes in the Zoning Ordinance.

Respectfully submitted,

Edward Campbell, Chairman  
Carl Becklo  
David Kochman

### **1996 MONADNOCK FAMILY SERVICES**

As you know, Monadnock Family Services is active in your community, providing quality mental health services to all residents who need them regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work, and are pleased to give you the enclosed census report which outlines the services provided to residents in the town of Richmond during 1995-1996. During the past year MFS provided services to over 3,000 adults, children and older adults of which 28 were residents of Richmond. The support you have provided to MFS in the past is deeply appreciated, and we hope that our partnership in caring for the citizens of Richmond will continue with the incorporation of this request in your town's budget.

### **1996 KEENE COMMUNITY KITCHEN**

During the time period of January 1, 1996 and September 30, 1996 the Community Kitchen served and/or distributed 1,005 meals to residents of Richmond for a total cost of \$432.15. There are still three months left in the year. The average cost per meal to The Community Kitchen is \$.043, which covers all of our costs including salary, insurance, vehicle operation and maintenance, utilities and food.

### **1996 HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES**

In 1996, HCS continued to provide home care and community services to the residents of Richmond. The following information represents a projection of HCS's activities in your community. The projection is based on actual services provided from Jan-Sept and estimated usage from Oct-Dec. A total of 9 residents received the following services. Nursing Services - 140 visits, Physical Therapy - 9 visits, Medical Social Work - 1 visit, Home Health Aide - 11 visits, Child Health Program - 2 children. The actual cost of all services provided in 1996 with all funding sources is projected to be \$12,533.50. These services have been supported by Medicare, Medicaid, other insurance, grants and patient fees.

## 1996 SOUTHWEST REGION PLANNING COMMISSION

The Commission, with a service area covering 35 municipalities in Cheshire and Hillsborough Counties, is one of New Hampshire's nine regional planning agencies established by RSA 36. We continue to provide planning related assistance to member communities and to represent the Southwest Region in state and federal programs. Our diverse work program covers activities such as local planning assistance, geographic information systems and mapping, transportation planning, community development block grant administration and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. For every dollar of local dues, the Commission's operating budget includes over four additional dollars to assist in meeting the needs of the Region and its municipal members. These additional funds are provided in the form of various federal, state and local grants and contracts. These resources provide the Commission the ability to assemble a critical mass of expertise which you have direct access to.

Highlights of Commission activities for the past year include the development of a 10-year Transportation Improvement Program for the Southwest Region; award of a federal grant to provide education and coordination among the Region's municipalities concerning proper disposal of toxic wastes; preparation of a document and process to promote natural resources planning; participation in sponsoring several educational forums on planning related topics; and, in conjunction with Cheshire County officials, the award of a federal grant to provide financial resources to assist communities in meeting the Americans with Disabilities Act. In addition, we have recently been awarded a modest grant to allow us to provide economic development planning assistance to our member municipalities.

Sincerely,  
Timothy P Murphy  
Executive Director
